ABOUT ME

A front-end developer, aspiring UI/UX and Graphic Designer with a flair for fresh, intuitive and accessible designs. I believe creative design is where art meets function. I am passionate about creating enjoyable and accessible user-experiences, producing reusable UI components and formulating wireframes for concepts.

William S April 24, 2019 Verified Buyer Rated: 4.5★

"Received in less time than expected. Price is half of what pharmacies charge."

Judy G January 1, 2019 Verified Buyer Rated: 5★

"Just as expected. Like The packaging, better than blister pack."

Vera C September 20, 2018 Rated: 3.5★

"I am very pleased to do business with MedEasy. Their prices are less and the service is great. I will continue to use them."

The image shows the start of a Sokoban level. The title "Level: 1" is at the top left, the player character "Sokoban" is in the center, and "Moves: 0" is at the top right. Below is a yellow brick wall with a worker character on the left. Two brown boxes are positioned in the center. To the right of each box is a 2x2 grid of green squares. A red "Restart Level" button is at the bottom.
